Homebirth Network of SA Inc – Membership, Advertising and Sponsorship Renewal

All Homebirth Network membership, advertising, website sponsors and membership rewards sponsors are due annually by the 31st of September.

The Homebirth Network is a community group which supports and encourages women in their determination for a safe, fulfilling and empowering birth experience. The group promotes the birthing options and rights of women and families. It also works towards affecting changes in the health care system in order to better accommodate the needs of women who choose to birth at home. The Government's Midwifery Reform has made homebirth particularly topical and is being debated with vigour both politically and in the media. This has resulted in a significant increase in the number of hits on our website and interest in the activities of the Homebirth Network. The activities of the Homebirth Network, such as hosting the first '**Beautiful Birth Festival**', producing the quarterly magazine and purchasing resources for our library are only made possible through membership and advertising fees.

~ As a Membership rewards sponsor, your logo will appear on the HBN membership cards and on our website with information on your offer of a discount on your products or services. We hope that by offering additional financial benefits to our members, we will increase the value of membership to our members.

~ Advertising in the quarterly magazine ensures your product/service reaches HBN members and many others as it is available through hospitals, alternative therapy clinics and at our coffee mornings.

~ As a Website sponsor, your logo will appear on the HBN website which to date has received over 1060 unique hits in one month.

~ As a HBN member, you will receive the quarterly magazine, a membership card which enables you to receive discounts with affiliated retailers and service providers, a discount on HBN merchandise and access to our meals service and pool hire.

Should you choose to become a member please forward the attached form to the PO Box address listed, or bring it along to the next Homebirth Network event that you attend.

Please note - even if you pay via direct deposit you still need to provide us with your details on the attached form.

If you have any questions regarding advertising or membership, please direct them to our Secretary, Hayley Harris, on 0424 363 179 or admin@homebirthsa.org.au.
